

PUBLIC SCHOOL SYSTEM

The Victorian Curriculum and Assessment Authority (VCAA) provides the curriculum for Kindergarten to Year 10. The Victorian Certificate of Education (VCE) is available to students who successfully complete years 11 and 12 in Victoria, predominantly a choice for students wishing to pursue a tertiary education. VCAA supports student needs and interests with a variety of courses in a range of learning areas. The Victorian Certificate of Applied Learning (VCAL) is a “hands on” option for students in Years 11 and 12 and it is delivered under the VCAA.

The school year begins late-January/early-February. Children can be enrolled in kindergarten at the beginning of the school year if they turn 5 on or before 30 April of that year. They must be enrolled by their sixth birthday. State schools are free to attend for Australian citizens and permanent residents, a fee is levied for others (see below).

State school enrolments are based on the suburb of residence, often referred to as the ‘catchment’ and so the enrolment process for state school can be commenced only after securing a property, according to eligibility criteria. Most Victorian Government schools have specific local enrolment catchment areas. These schools ensure that there are enough places for students who reside in their local enrolment area. School enrolment can be arranged throughout the year.

TEMPORARY RESIDENTS PROGRAM – FOR TEMPORARY VISA HOLDERS ENROLLING WITH A STATE SCHOOL

The Victorian Temporary Residents Program provides advice and support for the enrolment of temporary residents in Victorian government schools. The program accepts enrolment in primary school and high school from Kindergarten to Year 12. The form for fees and enrolment in a state school in Victoria can be found here:

There are currently no tuition fees for dependents on a temporary or permanent visa holders other than the normal costs of uniform and resources. It can be difficult to enroll temporary visa holder children into state schools due to a surge in local enrolments even if the family can show proof of residence in that school zone. There is a policy of prioritizing the enrolment of Australian- born or permanent residency students. Schools close to capacity may refer temporary visa holders to nearby state schools.
